

Become a “Walk for an IC Cure” Partner

Partner with Interstitial Cystitis Association (ICA) in a charity walk dedicated to the interstitial cystitis (IC) community to:

- Promote IC awareness in local communities
- Create communities of support for IC patients and families
- Raise funds to advance IC research, education, and advocacy

Participate and take the steps of hope for an IC Cure!

How YOU Can Help

- Become a SPONSOR
- Register to WALK
- Become an EXHIBITOR
- Donate to ICA

About ICA

The ICA is the only nonprofit charitable organization dedicated solely to improving the quality of healthcare and lives of people living with IC. The ICA uses tax-deductible donations to raise IC awareness and education, advocate for IC research dedicated to discovery of a cure and better IC treatments, and to serve as a central hub for the healthcare providers, researchers, and millions of patients who suffer with constant urinary urgency and frequency and extreme bladder pain called IC. (IC is also referred to as painful bladder syndrome, bladder pain syndrome, and chronic pelvic pain.) IC can affect anyone. More than 12 million people in the US have IC.

Our hope is that by bringing together businesses, communities, and the more than 12 million Americans affected by IC, we can shine a light on a disease that often goes undiagnosed and is misunderstood.

To become a “Walk for an IC Cure” sponsor, contact Kris Bayer at kbayer@ichelp.org.
